

What our Year 7 students say:

Katie (formerly Old Clee)

It was easy to settle here. I like to participate in the different things going on. I was in the winning Global Rock Challenge team as a dancer. Science is a favourite subject.

Noah (formerly Bursar)

I settled quickly. Science is my favourite subject as there are a lot of practicals which are fun. I'm in the school football team which is great.

Lyla (formerly St Joseph's)

I like it because it is quite a small school and the teachers know your name. Performing arts is my favourite subject and I was a dancer in Global Rock Challenge.

Jack (formerly Welholme)

I'm happy here. I like doing project where we do English, maths and science. The teachers are really nice and help you to settle. I like the school.

Lucy (formerly Yarborough)

Maths and PE are my favourite subjects. There was only me who came from my old school but everyone was dead nice and I settled easily. The food's nice too.

Maisie (formerly Old Clee)

I soon made a lot of new friends on top of the ones from my primary. Art and performing arts are my favourite subjects and it was great taking part in Global Rock Challenge.

Enlighten, Inspire, Innovate

• **Rated good by Ofsted (February, 2019)**

• **No better performing similar school within 75 miles***

• **Wide curriculum offer**

• **Extensive extra-curricular opportunities**

• **Caring environment**

Enlighten, Inspire, Innovate

Year 5/6 Open Evenings: Thursday, 4th July, 5-8pm & Tuesday, 10th September, 5-8pm

The last academic year has been a remarkable one for Beacon Academy students.

I am particularly proud our GCSE performance in the KS4 option subjects is significantly above the national average and, indeed, in the top 10% nationally for pupil progress; recognised by Ofsted in February.

All students/parents have a free choice from a huge range of option subjects in Year 9.

Our Year 7 engineering teams have qualified for the national final of the prestigious 'Race to the Line' competition sponsored by the RAF. Beacon is the only school in the UK where both teams made the national final.

Our performing arts squad, including many Year 7 students, once again qualified as regional champions to the Northern Final of UK Rock Challenge.

I am very proud our teacher Mr Burnett was recognised as the 'Inspirational Secondary School Teacher of the Year' at the recent Golden Apple regional teaching awards.

Mr Burnett won for his work enabling Year 7 students to settle into the academy and make accelerated progress.

Our Head Boy Bailey was also recognised as 'Student of the Year' at the same awards. Bailey is one example of a student who has thrived as a result of the personalised support provided by the staff team.

This is an exciting time for our academy with

our reputation growing nationally.

We have a wide and personalised curriculum offer, new teachers joining our academy and planned investment in our site and teaching facilities.

We look forward to welcoming you to our open evenings.

Jason Thurley
Headteacher
office@beaconacademy.co.uk

Mark Wilson, Wellspring Academy Trust CEO, says:

"I am delighted with the progress Beacon Academy has made under the Trust.

"Increased pupil and staffing numbers mean the Academy can continue to go from strength-to-strength.

"Its reputation as a small, friendly school where each individual child is known and valued continues to grow.

"I thank Mr Thurley and his team for their hard work and commitment. The Academy's on the up and will continue to improve."

What our Year 7 students say:

Isla (formerly Holton le Clay)

I was the only one from my primary but I need not have worried as I settled quite quickly. Every teacher was really welcoming. I really like English. It's fun and I like to write.

Finlay (formerly Bursar)

It's good because it is not too big. All the teachers have time for us and know your name. I like PE and my favourite sports are football and dodgeball.

Hend (formerly at Elliston Academy)

The teaching is my favourite part about the Academy. They teach us very well. Art's my favourite subject and I go to Arts Club every Wednesday after school.

Connor (formerly Elliston)

PE lessons are incredible and I love football. This is a really good school. I love all the lessons because the teachers support you. They work with you if you don't get something.

Holly (formerly St Peter's)

Engineering and art are my favourite lessons. I like the fact it's a small school and you know who and where to go to. It has also inspired me to do photography.

Jayden (formerly Thrunscoe)

I have made lots of new friends. I'm getting my platinum badge at the next rewards assembly. History's my favourite subject.
